Gender: Male Date of birth: 01/11/2004 Nationality: Azerbaijani

## ABOUT ME

I am Vusal Karimov, 20 years old. I constantly improve myself in the field of information technologies and increase my computer skills every day. I have advanced knowledge in Windows 10, 11 and Windows Server systems. I have intermediate experience in Linux operating systems. I also have basic knowledge of network technologies (DNS, DHCP, NAT, OSI, TCP/IP, etc.). My goal is to become a Cyber Security SOC Analyst and achieve the best results in this field.
